Cosmos Marine TV Comparison Table

| Cosmos Marine TV | | Other TV |
|---|--|--|
| <p>Powered by low 24 volts, Cosmos Marine TV is safe to use outdoors.</p>  | | <p>110 to 240 volts on wet grass or near a pool can be dangerous.</p> |
| <p>Equipped with high quality speakers & additional tweeters, Cosmos Marine TV has an impressive audio.</p>  | | <p>Check with vendor if the speakers are included and if there are tweeters installed. It makes big difference.</p> |
| <p>Patented audio streamers are very efficient and direct the audio towards you.</p>  | | <p>No, sound is spread out which reduces the audio performance and quality.</p> |
| <p>Patented weather cap protects Cosmos Marine TV from the rain, snow, leaves and small animals which makes Cosmos the ultimate TV for outdoors.</p>  | | <p>No, not available.</p> |
| <p>All Cosmos Marine TV are standard equipped with a fully automated heating and cooling system. Where ever you want to use Cosmos, it's ready.</p>  | | <p>No, only on the higher priced models, and often there is no heater installed that keeps the moisture out in the winter.</p> |
| <p>Cosmos Marine TV has often been recognized as the best design for Outdoor TVs.</p>  | | <p>3" or more (for system with temperature control system).</p> |
| <p>Cosmos Marine TV has a Stainless Steel (S316) case and this makes the TV very strong, durable, and well protected.</p>  | | <p>No aluminum housing.</p> |
| <p>Patented weather cap protects Cosmos Marine TV from the rain, snow, leaves and small animals which makes Cosmos the ultimate TV for outdoors.</p>  | | <p>1 or 2" bezel give the TV an industrial, old fashioned look.</p> |

Cosmos Marine TV

Standard equipped with a real 4K resolution supporting Android 11.

Update your Cosmos Marine TV with the latest technology. Simply replace the Set Top Box and your Cosmos is as new again.

Cosmos Marine TV offers high quality and beautifully made Neoprene covers in many styles. Also available in Sunbrella fabric.

Cosmos Marine TV comes standard with 20" power cable and ready to use when it arrives.

Complete your Marine TV experience with our outdoor audio systems.

Comes standard with a remote control with built in keyboard. Great for navigating the Smart TV applications.

Cosmos Marine TV has a wide angle infrared receiver that separates it from regular indoor TVs.

Cosmos Marine TV offers many, high quality mounts to choose from. Extra stable to secure your Cosmos TV against wind, rain, animals.

Other TV

Not included, or with a dongle that does not support 4K, or not equipped with sufficient processing speed for great performance.

No. Integrated Smart TV system makes your TV old after a few years when better technology is available.

No, usually a simple cover that does not really protect.

Usually comes with a 5" power cable and might need to buy extra power cable.

No, not available.

No, and difficult to use the Smart TV applications.

No, you need to stay in front of the TV to use the remote control.

No, usually residential quality brackets made of regular steel that can rust.

Light Brightness Sensor

Our innovative light sensor system ensures that the television's brightness is perfectly optimized at all times. When daylight fades and darkness sets in, the light sensor detects the change and promptly dims the screen, providing a comfortable viewing experience without straining your eyes. This not only enhances your overall enjoyment but also contributes to significant energy savings of up to 65%.

Gaming Console Compatibility

For the gaming enthusiasts out there, you'll be thrilled to know that your Cosmos Marine TV is fully compatible with Xbox and PlayStation gaming consoles. Whether you're cruising through the Mediterranean or anchored off a Caribbean island, you can immerse yourself in your favorite games with unparalleled picture quality. Our TV provides an ultimate gaming experience, enabling vibrant graphics, smooth gameplay, and rapid response times.

PERMANENT FLOOR MOUNT

DETAILS

- Available for all Cosmos Marine TV sizes.
- Completely made of stainless steel (S316)
- Power Cable insert from the bottom or from the side.
- Very stable, rustproof, no maintenance required.

FEATURES
