OCEA STYLE TV FEATURES

OceaStyle TV is Super Smart

Ocea Style TV is a fully equipped Smart TV. Simply connect to the Wi-Fi, log in your account and enjoy the word wide web. Watch Netflix, Youtube, the latest news, and of course live TV (download your provider's app), see your photo albums, connect with friends, and much, much more. Almost everything you can do on your smart phone; you can do on the Ocea Style TV.

Worry-free Zepp

Ocea Style TV comes standard with the Worry-free Zepp Remote Pro control. Wirelessly control all the Smart TV functions. With the built-in keyboard it is easy to stay on top of your Facebook and Instagram, and with the built-in microphone, you can ask Alexa or Google Assistant to assist you. The Zepp comes with a worry-free water-resistant cover, and a convenient holder with suction cups, so you can put it anywhere you like.

You Can Do the Talking

Ocea Style TV is compatible with Google Assistant and Alexa. The Zepp Remote Pro control comes with a microphone built-in, that is easy to use, but also easy to turn off if you don't want to use it.

Sleek Design

With a thickness of only 1.4" (35mm), Ocea Style TV will look great in every bathroom. The sides close almost gap-less to the wall.

12 Volts Safe, Waterproof

Ocea Style TV is powered safely with 12 volt, or 24 volt (for model 32" and larger) which gives you a piece of mind when using electrical devices in the bathroom.

Hear it to Believe It

Ocea Style TV comes with great, high-quality speakers integrated on the back of the TV. They provide a wonderful audio experience in your bathroom.

Mirror Feeds

Mirror Feeds is a free smart application for your OCEA Style TV. Navigate your way into the business world, see what's trending in the entertainment industry, be updated with the latest discoveries about health and science or see what's latest in technology. You can also monitor stocks, currencies, check the weather in your current location or change the lay-out of your feeds.
